Production area: San Giovanni al Natisone; Friuli Grave Controlled Appellation of Origin

Vineyard: La Duline in Villanova del Judro

Grape variety: Tocai Friulano

Plant placement year: 1930-1936

Breed/Rear: Bilateral guyot; meadow vineyard cultivated without irrigation nor manure, pollard assistance or bunches thinning

Soil: limestone/pebbly

Grapes production: 1 kg

Grape harvest: Manual, into boxes, 22-28 August

Wine-making: Soft press; cool settling; alcoholic fermentation entirely carried out; permanence on thin yeasts 11 months long in tree-trunk of 12 hl

Bottling: In 2 July 2008, 2100 bottles will be bottled

Put on the market: October 2008

Alcohol by volume: 13%

Taste impressions: It is a white wine fresh with complexity and high drinkability; it comes from the oldest vineyards, placed on a particular soil which gives to the grapes a great sapidity and aromatic quality
